S.C.4

Letter DW J.C. 1238 9.7.1942 from the District Magistrate, Tiruchirapalli requesting that the detenu Mr T.K. Ramachandra may be released finally as he is a student desirous of continuing his studies.

The above five letters relate to the same topical subject viz release of students who are convicts, or detenus or under trial prisoners in the State. Of these five cases, two relate to the Tiruchirapalli district two relate to the Madura district and one to the Chittoor district. All of them are issued with a letter to facilitate passing of orders by Government.

Tiruchirapalli district

The District Magistrate, Tiruchirapalli has recommended that the two detenues M.P Rajagopalaswami and T.K. Ramachandra may be ordered to be finally released on condition that they undertake to attend their schools or colleges

Madura district

The District Magistrate, Madura has recommended that prosecution against the Rajakumari may be withdrawn, as he is a student desirous of continuing his studies in the International Tamil College at Chidambaram

He has further requested approval to his return to his studies indicated the Student-Counsellor Mr C. H. Ladusetha Sastry that he should complete his sentence ; as he has not given an undertaking not to take part in any subversive activities in future. Whether the Student-Counsellor was really in favour of the condition on which he would be released and whether he has expressly stated that he does not accept the specified condition the records do not indicate further inquiries in favour on these points.

Chittagong District

4 The District Magistrate, Chittagong has recommended that the unexpired portion of the sentence passed on the two convicts Sanjeeva Reddi and Dasarathi Guha be remitted as they desire to continue their studies. The facts reported by the D.M show that Sri Sanjeeva Reddi is a first S.S. case and he is aged 30 years. With a previous such old age would little avail to convince Mr Sri Dia, now or whether he is merely putting it forth as a pretext for his immediate release, is a point for consideration. The same observations seem to apply in the case of the other detenu Dasarathi Guha who is aged 17 years and bent to continue their studies in the Middle Scho

In this connection it may also be submitted that the District Magistrates of these three districts of Tuticorin, Madura and Chittoor have, in their previous letters of June 1943 addressed to Govt on the same subject, stated clearly that the lists furnished by them are final. But from their present communications it is seen that their previous statement about the finality and completeness of the particulars furnished by them are not correct and that there are some more cases requiring orders of Government. So far as these districts are concerned. Further it is doubtful if they have now already exhausted the cases of students detained etc in their districts and that they have no more cases. Similarly the other District Magistrates of the other six districts also may have to be requested to furnish information if they have any more cases in their districts

6 It is also the District Magistrates of all the districts may be addressed in the matter to furnish collect and up-to-date information so as to enable Govt to pass orders once and for all, in favour of liberation

7. Now further lists now received from the D.C's of Tuticorin, Chittoor and Madura and Thanjavur show that the practice

lists sent by them in response to our telegram from Govt to send in full lists of student detenus and student convicts in their respective districts are not exhaustive, and that there may still be student detenus under Sirs whose cases for conditional release have not been brought to their notice by Govt. In these circumstances the cases for consideration if the D.C's may be asked to intimate whether the lists sent by them are exhaustive, and if not to send full particulars of all student detenus expected to still in custody as well as of student undertrials, with their opinion as to whether they may be released

(2) As is seen from the present communications that there are 2 student detenus in Tumkur, 1 student under trial in Madura and Madras and 2 students convicts each in Chitaldrug & As has been done in similar cases the detenus may perhaps be released unconditionally, the student convicts on their giving an undertaking not to take part in subversive activities in future and to attend their schools or colleges, and the case against the undertrial may be withdrawn if he gives an similar undertaking.

Sir,

I have the honor to state that the accused Sanjeeva Reddi and Doddagundappa in C.C.No.101/42-43 on the file of the I Magistrate, Chitaldrug, have been convicted on 16th June 1943 of the offences under Rule 35(1)(a) read with Rule 121 of the Defence of India Rules and Sectiom 457 read with S.511 I.P.C., and each sentenced to a term of 6 months Rigorous imprisonment on each of the two counts, the sentences to run concurrently. The accused are charged of having attempted on the night of 2.1.1943 to break open the hasp put to the door of the Office room of Middle School at Pandarahalli in Chitaldrug Taluk in order to gain entrance, failing which have removed tiles on the roof of the building and poured kerosene oil on the furniture within the room and also thrown gunny bag soaked in kerosene oil and burning pieces of gunny bags in order to set fire to the entire contents of the room as also the building itself, thereby intending to cause damage to the school building and its contents which are the properties of Government.

The two accused who are now confined in the District Lock up at Chitaldrug have prayed that as they intend to prosecute their studies, they may be released. The applicant C.M. Sadasivasastry, was charge-sheeted under Rules 35 (1) (b) and 36 (b) of the Defence of India Rules and 25 (c) of the Telegraph Act before the Special First Class Magistrate, Chikmagalur, who convicted and sentenced the accused to undergo rigorous imprisonment for one year. The accused who is now undergoing his term imprisonment in the Sub Jail, at Tumkur, prayed for his release as he wanted to take up his studies. But, as can seen by kind perusal of his application, it does not contain any undertaking that he would not take part in subversive activities in future. I have therefore, issued him an endorsement that he has to complete the sentence. On a similar application of one C.M. Nirvanappa, who is

P.t.o.

who is a co-accused in the case, I have issued the same endorsement

Under these circumstances, I request that my action taken in the matter may kindly be approved.

I have the honour to be,
Sir,
Your most obedient servant,

District Magistrate,
Kadur District.
